WHY CHOOSE SHOPPING IN CORK .IE

We are an Irish company regulated by Irish legislation and registered at CRO Dublin. Accredited and recommended.

A leading market brand for internet advertising with other portals in the 'Shopping In' and 'Shopping Online' and 'Online shopping' Instantly recognisable with its unique postcard branding and informative layout. The IDA approached Shopping in Cork to assist with encouraging inward international trade and business into Cork City and County.

Our mission is to get Cork city and county business moving, competing in the international market place – economical packages available from only €1 weekly– commitment of 12 months.

Eco priced international advertising.

YOUR BUSINESS IN 4 LANGUAGES

The website is constructed in English, French, Spanish and German with more languages planned for 2011. Contrary to what English speakers believe there are less competent English readers than is thought – it is therefore imperative that your product be advertised in more languages to improve your potential client base.

French visitors say... it is difficult to find information about hotels in French searching in Google FR – there is very little information about hotels, restaurants and businesses Cork, Ireland.

Spanish visitors say ...we like to find a taste of home in Cork – when searching in Google.es where do we find information about tapas in Spanish in Cork?

German visitors say ...Searching in Google.de wanting to buy an Irish property but find it difficult to locate auctioneers with information in German..... there's more – now you have the opportunity to get international clientele to your business.

GO TOP IN GOOGLE™ SEARCHES

With our top notch SEO team we are consistently top in the Google searches for relevant key phrases, with several listings in the first page of the search results page. This is an ideal opportunity for your business to be noticed globally without you having to pay high SEO charges or expensive advertising costs to be sponsored links on the Internet.

Let our SEO team do the business for your business – in four languages.
